3 Certification

I certify that according to the records and books of the insurer or insurance intermediary[2] stated in section 1, the levy payment made to Fire and Emergency New Zealand as stated in section 2 is to the best of my knowledge and belief correct and the levy position taken is in accordance with the Fire and Emergency New Zealand Act 2017 and the Fire and Emergency (Levy) Regulations 2024.

Signature:		**Date:**	

[1] The types of insurance policy are defined in the Fire and Emergency New Zealand Act 2017 and the Fire and Emergency New Zealand (Levy) Regulations 2024. If, during the period the insurer or insurance intermediary enters into 1 or more insurance contracts where more than $1000 (excluding GST) is payable per contract, a levy return spreadsheet must also be submitted that provides the additional information required under regulation 22 of the Regulations.

[2] Insurers or Insurance intermediaries acting on behalf of policyholders must retain and provide evidence of authority where required under Regulation 21

Note: This form was reviewed and updated to comply with the Fire and Emergency New Zealand Act 2017 and the Fire and Emergency New Zealand (Levy) Regulations 2024 and is in effect from 1 July 2026.
