

Fire Related Product Recall Notice

Date issued: 04 November 2015

Homemaker Nutritional Drink Blender

Kmart has issued a recall of the Homemaker Nutritional Drink blender sold in New Zealand due to a potential fire hazard.

Problem

An internal component of the blender is made of unsuitable material and the blender is poorly sealed against liquid. If spilled liquid enters the internal parts of the blender it has the potential to cause fire.

Details

The affected model is identifiable by the model number SA-RB-13409.

What to do

Customers should stop using the blender immediately and return the product to any Kmart store for a full refund.
