Information Request – Number of callouts - medical, vegetation, structural, other - for the last 20 years across NZ

I refer to your official information request dated 16 October 2018 asking for the Number of callouts - medical, vegetation, structural, other - for the last 20 years across NZ.

In accordance with the provisions of the Official Information Act 1982, I *enclose* the information you requested relating to callouts received by Fire and Emergency New Zealand for the last 20 years

Please note that industrial action undertaken by New Zealand Professional Firefighters Union during late July 2009 to December 2009 and August 2011 to end March 2012 may have limited the information gathered, and now held by Fire and Emergency New Zealand that is relevant to your request. It may consequently not be possible to draw meaningful comparisons between the information relating to the periods of industrial action and other periods for which a fuller range of information may be held.

Note also that this response (with your personal details removed) may be published on the Fire and Emergency website.

Yours sincerely

Bella Sutherland
Director, Office of the Chief Executive
