Thank you for your email of 19 September 2024, to Fire and Emergency New Zealand requesting the following information:

- I am looking for crew and fire engine numbers for these stations and if possible the number of responses they do - either an annual average or your most recent yearly count. Could you also advise if I have missed any stations across the Selwyn, Waimakariri and Timaru districts and provide numbers for those stations as well?*

Your request has been considered under the Official Information Act 1982 (OIA).

We wrote to you on 15 October to advise of an extension to the time limit to make a decision, as your request was for a large volume of information.

Please find attached, as an **Appendix** to this response, a copy of the requested information. Please note, we have included data for stations that were not included in the list you provided. These include other stations in the Mid-South Canterbury District.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz.

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.

Nāku noa, nā
