Thank you for your request of 3 January 2025, to Fire and Emergency New Zealand requesting the following information under the Official Information Act 1982 (OIA):

- *Please provide me with an organisational chart for the Te Hiku fire region. If possible, please include in the chart:*
 - *The chain of command from the Regional Commander down to brigade members in both urban and rural brigades.*
 - *The roles involved in command and control of rural firefighting*

Thank you for clarifying on 9 January 2025, that you are requesting the rank hierarchy document and not the Te Hiku corporate structure. Please find attached, as an **Appendix** to this response, a copy of the Te Hiku Region Rank Hierarchy.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz.

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.
