

Fire Related Product Recall Notice

Date issued: 02 December 2014

Panasonic Battery Panasonic CF-H2Tablet PC

Panasonic NZ Ltd are recalling certain battery packs supplied with Panasonic CF-H2 Tablet PC sold between May 2012 and October 2014.

Problem

Due to a manufacturing condition, the battery could overheat. Overheating may cause burn hazards or result in fire.

Details

Battery pack model number and manufacturing number can be found on the exterior of the battery pack.

This recall applies to the following Battery pack model number: **CF-VZSU53AW only.**

Applicable manufacturing lot numbers: Beginning with **B, C1, C2, C3, C4, C5, C6, C7, C8, C93, C94, C96, C9C, C9J, C9K.**

What to do

Customers should check in both battery slots the model and manufacturing lot number of the battery packs to determine if they are included in the recall.. If included, remove and stop using the batteries immediately. Make contact with Panasonic for free replacement batteries.
