

# Fire Related Product Recall Notice

Date issued: 23 September 2014

## Tigerlily Scented Candles

Tigerlily Swimwear are recalling scented candles sold online and at there Newmarket, Auckland store from June 2011. This recall applies to all candles that **Do Not** have a batch code printed on the base

### Problem

When alight the candle may give off excessive smoke, the flame may flare up, and the glass container may overheat and /or shatter

### Details

Those candles without a batch code sold after June 2011 are the only candles effected by this recall and they should not be used

### What to do

Customers should immediately stop using your candle until you have checked the base for a batch code. If your candle does not have a batch code, return it to your nearest Tigerlily store for a full refund, replacement or voucher

### Contact
