14 February 2025

Ref: 16977

Tēnā koe [redacted]

Thank you for your request of 2 February 2025, to Fire and Emergency New Zealand requesting information relating to compressed air foam systems (CAFS). Your request has been considered under the Official Information Act 1982 (OIA) and our response is below.

- 1. Do FENZ currently have any plans produce appliances with CAFS capabilities?*
- 2. If so please provide details on the type of appliance these maybe fitted to and when?*
- 3. Or, if not, any reason why CAFS has not been reintroduced to recent builds?*

Fire and Emergency do not have any plans to produce appliances with CAFS capabilities because CAFS capability is not a current operational priority.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.

Nāku noa, nā

Aidan Saunders
