Thank you for your email of 13 February 2025, to Fire and Emergency New Zealand, requesting the following information:

- I would like to request statistics regarding call outs to fires in Titahi Bay over the past 5 years. I don't require any personal information or the actual files, just the basics of date, type of incident etc like you put on your weekly reports. For example I know there have been two call-outs to fires on Terrace Road, one regarding a large fire started deliberately with fireworks and one from a burned out vehicle ([REDACTED]). For my purposes, information needs to be specific to Titahi Bay rather than the wider Porirua area please [REDACTED]*

Your request has been considered under the Official Information Act 1982 (OIA) and please find attached a copy of the requested information.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.

Nāku noa, nā
