Tēnā koe [REDACTED]

Thank you for your email of 2 April 2026 to Fire and Emergency New Zealand requesting the following information:

- [REDACTED] *the overflow incident at the Moa Point wastewater treatment plant on 3 / 4 February 2026....we would like to request FENZ's incident report. We understand the log number for the report is #F4392286."*

Your request has been considered under the Official Information Act 1982 (OIA), and our response is provided below.

Please find attached a copy of the SMS Incident Report in response to your request. Some information has been withheld under section 9(2)(a) of the OIA, to protect the privacy of natural persons. In making this decision, we have considered the public interest considerations in section 9(1) of the OIA. We have also redacted the names of personnel involved with this incident and these have been labelled as *out of scope* in the attached PDF.

Please note the Incident Report generated by Fire and Emergency contains fields that are reported in real time as fire crews and our communication centres communicate with each other during the incident. They may contain spelling errors or commonly used abbreviations.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.
