Thank you for your request of 30 March 2025, to Fire and Emergency New Zealand requesting the following information under the Official Information Act 1982 (OIA):

- *...please advise the following for all FENZ stations that have beds.*
 1. *Station Name?*
 2. *Number of beds?*
 3. *Are the beds in individual rooms or dorm style?*
 4. *Crewing (are the beds for career staff, volunteer or shared with St John)?*
 5. *If volunteer are they charged for the use of the bed?*

Please find attached, as an **Appendix** to this response, the requested information.

In the few instances where Fire and Emergency charges rent to volunteers, this is where stations have separate rental accommodation, unrelated to brigade activities. This accommodation may be rented to people in the community, or sometimes to volunteers who are living there.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.

Nāku noa, nā
