

Fire Related Product Recall Notice

Date issued: 22 July 2017

Freedom furniture - Zox Table Lamp

Problem

The use of certain light globes can lead to overheating of the wooden shade.

If the wooden shade becomes overheated, this could cause a fire hazard.

Details

Electric table lamp with timber lamp shade.

Electric table lamp with black metal tubular "L" shaped base with natural finish block timber lamp shade with recessed light bulb holder.

Model 23760752

What to do

Stop using the lamps and return them to their nearest Freedom store for a full refund or exchange for a similar product.
