

# Fire Related Product Recall Notice

Date issued: 7 February 2018

## Groupon NZ - Outdoor Bluetooth Speaker

Sold online at Groupon from 24 October 2017 to 3 January 2018

### Problem

The Bluetooth speakers may pose a fire risk.

### Details

**BT505 Bluetooth Speaker** - comes in black or white with a red 'f' logo on the front.

### What to do

Stop using your speaker.

Groupon has contacted all owners directly: Check your emails for instructions about how to receive a refund.

If you do not have access to that email or for more information, contact Groupon through their website.
