

# Fire Related Product Recall Notice

Date issued: 29 June 2017

## Projecta Intelli-Start Jumpstarter models IS900E and IS1200E

Narva New Zealand Limited are recalling Projecta Intelli-Start Jumpstarter models IS900E and IS1200E

### Problem

The product's battery component may overheat after jumpstarting a vehicle and could catch fire.

### Details

The front of affected units states either 12V 900A or 12V 1200A.

The underside of the affected units states the Part Number (P/No.) as:

- IS900E or
- IS1200E.

### What to do

Stop using the jump starter and contact your place of purchase or Narva New Zealand Limited (NNZL) for a full refund.
